

OUR LADY OF THE LAKES CATHOLIC CHURCH
RELIGIOUS EDUCATION-SACRAMENT OF BAPTISM

MESSAGE TO MY GODPARENTS

My parents have chosen you as my godparent. It is a special honor. You have been called to participate in my Christian life and education. Our spiritual relationship will give us an opportunity to mutually develop our love to God throughout our life.

You will guide me and I will follow you. You will light my heart loving God and in this love I will be loved too. I will learn to love you and through you, I will love God too.

You have been admitted by the church in your role of sponsor, because you are at least sixteen or older, you have been confirmed, participate in the blessed Eucharist and live a life of faith. You are not my mother or my father (C.C.L. 874)

I feel so happy that we are going to live a Christian life; I cannot wait to share this great experience of joy of sharing a life of FAITH with you. My heart is open for you and God's Love. May God bless you for being my Godparent today and forever beyond!
